Thread: [Very cheap even trades accepted HQ grapic work with portfolio to show work](#)

acidreeflux - February 24, 2015, 4:07 pm

Hi guys its acid here and im trying to get known and maybe get some new products for personal use below im going to post a small portfolio of the work i did today that you can find in the free graphics section, and i want to offer my service for very cheap trades are welcome and honestly some feedback or ideas would be great (sorry for my neg rep but i got rep raped for nothing and i just pretty much left the community, but im back and better than ever) so low and behold my like 8 hours worth of work while riding in a car lol....
