Hey, I can provide you genuine leads to your PPD/CPA services for affordable rates!

If you're interested in purchasing please send me a private message with you link, so i could check it out and tell you if i can do it or not.

Don't post your links in the thread to avoid risk of getting suspended for no reason.

After i'll receive your pm, i'll get back to you with an answer if i can do it or not.

And i'll negotiate the process with you.

You will get about 1\$-2\$ for each lead guaranteed!.

Prices:

1 Lead = 0.5\$ BTC or 0.6\$ pp

5 Leads = 2\$ BTC/2.2\$ PP

10 Leads = 3.9\$ BTC/4.1\$ PP

If you want bigger amounts, contact me.

I can provide you as many leads as you want, but make sure you have some real traffic to not get 100% Conv rate.

Note:I can unlock any survey out of any famous ppd/cpa site for example:

Fileice,ShareCash,CPAGRIP(Only if its on your own website, not filedictation domains and such).
