Thread: [My parents want to poison or drown little black puppy for Islamic reasons??](#)

valhalla111 - February 27, 2015, 7:37 pm

Assalam Alaikum wa rahamatullah wa barakatu,

My uncle & aunt breed dogs for cattle herding purposes, their dam recently had a litter of three pups, one is completely black, other two aren't & neither the stud nor the dam are black. I went to my aunt's house recently, the pups are now 6 weeks old & sooo cute!!!

But my parents are staunch Muslims, & are advising my uncle & aunt to kill the pure black puppy, by poisoning or drowning it.

Prophet Muhammad(pbuh) says that is what should be done to pure black dogs!

Sunan of Abu Dawud

Book 16, Number 2839:

Narrated Abdullah ibn Mughaffal:

The Prophet (peace_be_upon_him) said: Were dogs not a species of creature I should command that they all be killed; but kill every pure black one.

I find the little puppy very sweet, it comes to me when called & lets me pick it up, how to save it?

I live in USA.

Jazak'illah khairun.

Call animal control?

Call the cops on them?

Take the pup and raise it as your own?

Take the puppy,run away to america with it,get fat with the dog and live happily. Win

Kill them before they kill the dog. It's your only choice

Were talking about a puppy here, not a black man, no need to call animal control or bring the cops into this.

Animal racism? Yup, sounds exactly like something a madman would write in a book.

I don't care who wrote the damn book for whatever reason. If it contains something like that its the book itself that should be "eliminated".

1. Take the dog.
2. Bring the dog outside.
3. Get a collar that allows people to understand it's not wanted. Ex:"I'm yours now"
4. Bring to adoption clinic.
5. \$\$\$\$

Take the dog, save it, take care of it.

That's fucked up but also funny so I can't say anything.
