Thread: [THE BROTHERHOOD || Public Xbox Gaming Night || Friday, 3/06 @ 8:00 PM EST](#)

Red S?x - February 28, 2015, 9:10 am

It's been a while since we've hosted one of these, but without further delay here it is! Xbox One Game Night this Friday (3/06) @ 8PM EST.

Since AW has been steadily declining with popularity I was thinking we'd begin the game night with some Exo Zombies. After that, I'm leaning towards GTA V. However, nothing is set in stone so if you're interested in attending we can chat about what games you'd prefer to play.

If you'd like to take part in The Brotherhood's Game Night, send a PM my way with your GT and you should receive an invite shortly.

up.

That'd be great if you can record this game night. Might even have someone that can broadcast it on Twitch if anyone is interested in watching that.

Bravo™ - March 3, 2015, 7:39 am

I would really love to do this but I am a 'tard. I own an Xbox 360 and I live in the UK so by the time you start playing if its US time I will be in bed snoring my head off.

Formant - March 3, 2015, 4:32 pm

You guys should do this at least once a month. Maybe even once every other week depending how many people participate.

Wish I could take part in it this time, but unfortunately I'm busy. I'll catch you guys next time though!

Ahhh, YOU'RE Sloperz. Always wondered who that was lol. HMU, I'm down for some zombies. I only have the stock headset at the min as I pawned my TBs ?. Not sure if they still work.

I'm Motorcycling. That's my tag and not a random statement.

host a Destiny time, that'd be much better to watch people raid than free roam GTA or zombies.
I'd play if you did that.

Sounds like you can seriously help me out in Destiny. Currently Level 26 and I barely have any exotics.
