Thread: [\[TUT\] Guide on how to sqli with tools.\(Great for HQ combolists\) | skype support!](#)

blocknode - February 28, 2015, 7:01 pm

Hello

I just made this quick package of tools and a video tutorial explaining you how to sqli which is a great way to obtain HQ combolists if you are lucky enough to find a big database. This is great for beginner crackers that have no money or don't want to waste money on an ebook that probably isn't even a good way to get good HQ combolists.

Note that this is just a small package I will soon release a free ebook with a good .pdf explaining everything in details and giving tips.

Also included is my skype which you can always add if you have any questions or if you're intrested in mentoring.

This also gives false-positives.

Proof:

Warning big picture...

Spoiler [\(Click to View\)](#)

How to get this?

<https://www.dropbox.com/s/h2fpuue73owxbkd/SQLI%20Combolist%20Guide.rar?dl=0>

??

Download this. Do note that this is just a package with tools I quickly found to help you beginners out. There is a video included which I do not claim to be my own video.

note* Looking for someone that is good with pdf and is willing to help me.

Prude - February 28, 2015, 7:26 pm

PM'ing you. Thanks for giving this out mate.

Slum. - February 28, 2015, 11:03 pm

Going to PM you here in a minute, Thanks for this.

[\[TUT\] Guide on how to sqli with tools.\(Great for HQ combolists\)](#)

I'm interested if you make a guide

let us know

blocknode - March 1, 2015, 4:45 am

I'm trying to make an ebook at the moment guys. Trying to get a pdf maker...

dny - March 1, 2015, 6:07 am

Hi m8 ? can you send me this tutorial pls?

this would be nice ;)

thank you!!!

Prime - March 1, 2015, 1:48 pm

Would love it to get a tutorial about this. Best you could do is just post it on HF.

dny - March 1, 2015, 1:59 pm

Hey Galactic! First thank you for pm!

But i dont can answer at this Moment!

The Link That you Send to me is wrong that is the Problem

xxxxxxblablablqbk...e.rar

I think any cases are lost :D

Btw pdf creating i can help you! What want you know ?

Thank you ;-)

Best regards!

If anyone has any questions regarding this tool, Feel free to PM me.

DriveThru - March 3, 2015, 4:20 pm

Vouch for Galactic!!! Not only is it free but he walked me through the process on skype!

blocknode - March 4, 2015, 4:22 am

Online and helping people on skype. Guaranteed database's!

W00dy - March 4, 2015, 6:03 am

Vouch!

Amazing Job! Thanks for the share!

Bruce80 - March 4, 2015, 4:13 pm

Vouch for Galactic!!! Not only is it free but he walked me through the process on skype!

Thanks so much m8

blocknode - March 5, 2015, 12:50 pm

Online and answering any questions and assisting over teamviewer/skype if needs to be!

SIM-1673779 - March 6, 2015, 5:56 pm

Wow pretty good, cant wait for the actual pdf to make it easier for beginners
but other than that thanks for the share!

Yeah I know but still looking for someone that can help me with this I'm a beginner at making pdfs.
?

fuzzygang - March 6, 2015, 9:00 pm

Great ill try it out pm me 2morrow pretty please
