No stop what you're doing, delete account etc. You're doing identity fraud and impersonation which is illegal and if she presses charges youre in the shits.

P3TE - March 1, 2015, 1:03 am

How do you know she's the real girl 100%?

Could just be some dude trolling you lol.

Ever seen the MTV Show Catfish?

unknown2 - March 1, 2015, 1:13 am

If I were her, you'd already be paying a lawyer

Most likely that you'd be in court already for identity theft. You need a lawyer to save your ass from that. Start deleting.

i got the samw problem some day but i asked her her name and she said fail name. i made my own pack from a whore girl of instagrm n tumblr i think she stopped being a whore on net a year ago

mixakg - March 1, 2015, 9:02 am

Try to send RAT to her, then you will be able to use her cam, you may make a really good pack (if u got balls heheh) if not then just rat her and delete her conversation with you or format drive so she don't have proof. :D

xD1RTxz - March 1, 2015, 10:23 am

I wouldn't take any chances, or close the account, you could get into some deep shit (Identity Theft) and all sorts of federal crimes.

mixakg - March 1, 2015, 3:16 pm

Cmon don't be such a girl, RAT her and format her hard drives at least, you won't get caught 100%

Ole™ - March 1, 2015, 3:41 pm

Where she found you FB? INSTAGRAM, TWITTER, SNAPCHAT etc...?

mixakg - March 1, 2015, 5:09 pm

Yeah sometimes i've got that big imagination hehehhe

Fudster - March 1, 2015, 5:24 pm

Yeah OP. I strongly recommend you to delete any accounts with the that girl's pictures. Just get a new pack and move on,

LeofisTaylor - March 1, 2015, 7:08 pm

Just delete all the accounts and delete the pack. It is not worth getting into shit for.

Raguel - March 1, 2015, 8:13 pm

This happened to me lmao. I cashed in on some guys I had hooked for a few days and deleted. It's not worth the stress of her publicizing you and exposing this practice.

(Mar 1, 2015 06:56 PM)Dilated Wrote: [\[CITE\]](#) That's an absolutely retarded idea.. he's already in or going to be in deep ass shit for using a fake identity and posing as somebody else. You honestly want him to take it even further than that and infect her to get even MORE pictures? Why? So he can get in deeper trouble than he already is? He's not going to "have fun" by doing that, he's going to get his ass owned really hard (most likely).

I hope you're trolling, but if you aren't, suggesting anybody to do that in this situation is stupid. To OP: I would definitely just get rid of all the accounts related to that identity and lay low for a little while. Good luck.

ahahahahah i was just kidding about that, but now let's be real RAT her and format her

drives,goodbye proofs...
