Thread: [Why scammers piss me off.](#)

Seemed like a guy who would throw a lot of money at me.

But due to people running off with his money.

I dont know if there's anyway I can convince him.

Of course you can, you just have to go about it correctly.

shadowc - March 1, 2015, 3:40 am

Like the guy above me said, unless you're willing to put in the time and effort into SE'ing him and even then it's not a guarantee he will pay, probably better to skip him and move on..

i CAN! - March 1, 2015, 3:40 am

Forget it he was never intrested in picks nor will he ever. Don't try to convince him just block and move on.

I get these people all the time all they want is to talk..

Flinzy - March 1, 2015, 6:55 am

Of course you could still sell him stuff. You just got to convince him you're not that type of girl.
I agree, this dude looks like a tough one but it's possible.

SEster - March 1, 2015, 6:58 am

He's the type of whining little bitch that will eventually give in, just keep talking to him.

I find it funny that you don't like people who don't trust you. There is a reason for that. E-whoring is technically scamming anyways. Don't be a hypocrite on this matter. Find a new person, and try getting money from someone else. To all the people that don't like the scammers...Why don't you think about what you're doing in the first place? Don't you think you're scamming them?

NJKL - March 1, 2015, 7:01 am

This happened to me alot of times, guys tell me they get scammed enough and don-t know how to tell them i will don-t.

Yeah, its true what he said, Ignore them they just wanna talk and SE YOU into giving them pics somehow,

DediRDP - March 1, 2015, 7:10 am

Just move on I would say, your time is worth more moniez!

Intern - March 1, 2015, 8:14 am

He's prob trying to just get free pics out of you. Plenty of guys try that shit.

Effexion - March 1, 2015, 8:16 am

No one else find it ironic that OP is moaning about scammers in the E-whoring SF?

JayHova - March 1, 2015, 8:39 am

9 times out of ten, he hasn't been scammed and is trying to become the scammer

n0thing - March 1, 2015, 8:43 am

Lmfao the irony, you're the one scamming the guy, convincing him you're some girl trying to get him to buy pics that aren't even yours
