atg703 - March 1, 2015, 9:31 pm

Hello HF,

I know I don't have rep or whatever you call it these days, but I am looking for some motivated peeps to make sales and maybe a partner or partners. I've been a lurker here in HF for a few months now. Seems like there is good potential here in HF. So... if you have dating traffic, chat traffic, or whatever... I'm affiliated with a L33t affiliate program that pays out weekly. You'll can get wires if you make over a G, but if not then u get paypal. If anyone wants in and can contribute please hmu. Programmers always welcomed. Remember NO CHARGE BACKS in this program. People with BOT chat traffic are GOLDEN! GLWS Everyone...

I apologize for using slang. I was bit tipsy when I posted this and obviously my internet lingo is unknown in these parts of the internet. Very well, let me rephrase then. Basically, I'm looking for some people who know how to push and get constant dating traffic. The affiliate program that I'm currently with pays \$15 per sale for offering free memberships for a cam site. You just need a potential customer to verify their age with a credit card. Once they verify their age, you get a \$15 commission regardless if the customer does a charge back. I was thinking that this might be a perfect opportunity for "ewhores." <--- no offense, i know that sounds bad, but you know what I mean. Whether you are doing manual or automated sales, my affiliate program accepts every form of traffic. They don't care if your methods are greyhat or blackhat, they only care about sales. My intentions are to try to find some people to work on methods or network with people who have mad internet skills in type of work. Let me know if you have any other question or are interested.

Hopefully I made myself clear now and thank you for your attention.

No offense but this sounds kinda sketchy coming from someone with zero rep and only 3 posts.

atg703 - March 2, 2015, 12:56 pm

I understand where you are coming from. I know i have no rep and low postings, but hey... if that's how you feel no hard feelings.

Stupid offer. If anyone wants to earn with affiliate, he will create his own account and wont be working for someone other.

I think there are a lot of affiliate opportunities with higher revenue like 15\$.

I agree that you can make more elsewhere, but you have to consider you won't get payed when customers start doing chargebacks. This program, you don't get penalized for chargebacks, but hey if you think it's stupid then that's your opinion.
