Common Questions

Client?

No, you will be using the OpenVPN GUI

Setup Instructions?

Will be provided with your purchase.

Supported OS?

Only Windows (This will change soon)

Port Forwarding?

At this time we don't allow port-forwarding because I don't want botnets on my network.
I want the VPN to be extremely fast and secured as well as 100% anonymous.

Different Servers?

A user will be randomly assigned a server
At this time we don't have any way of allowing country switching because there are no user accounts.

Comedic - March 3, 2015, 6:34 pm

Seems like a very decent VPN, good luck with it!

FRANKIE - March 3, 2015, 6:49 pm

No problem, thank you very much Comedic. I do appreciate the vouch.

Gørilla - March 4, 2015, 11:48 am

This guy is trusted, hes a legitimate member here and i wouldnt hesitate buying from him!

FRANKIE - *March 4, 2015, 11:52 am*

Thank you for the vouch my good man. Much appreciated!

Impulses - *March 4, 2015, 9:46 pm*

Vouch for my buddy Frankie. Good dude, good products. Deal with Confidence.

FRANKIE - *March 4, 2015, 10:42 pm*

Again, thank you very much for the vouch. We have had a few sales so far but nothing over-the-top or breakthrough. Still looking forward to keeping the service out for as long as I can.

rSync - *March 5, 2015, 11:12 am*

Working perfect, fast, and it's very cheap. Best VPN out here..

FRANKIE - *March 5, 2015, 11:19 am*

Thank you very much for the kind words.

I am online & accepting orders!

Lava Lamp - *March 16, 2015, 12:54 am*

Ordered, hope this works out! I have experience with openvpn

Muro - *March 16, 2015, 1:09 am*

Frankie is da man! I'd strongly recommend anyone to use his products, very professional.

Syracusia - *March 16, 2015, 2:07 am*

This is one of the most secure VPNs on the market.

FRANKIE - *March 16, 2015, 9:55 am*

Very sorry to all recent buyers. Sales will continue when I hear back from the developer.

Problem with the payments / delivery has occurred.
