Really interested in this.

Not really hard to make, but still.. great.

Perhaps, I could get a vouch copy?

EDIT: Oh god, I spent some time trying to make up a great comment. Then some guy straight up asks for a vouch copy, and did it before me. #mightaswellsuicide

If you pick me, however, I'll leave a HQ and detailed vouch.

No, you can not post url's in the message. The bot uses a pre set message.
