Thread: [Trusted Sythe.org Account {500+ Vouches\2k+Posts}](#)

bl007 - March 4, 2015, 12:46 am

Hello, I am selling my trusted Sythe.org account, which is for a Runescape Market website. I'm posting in Virtual Game Items, because I feel that is the best place for something like this.

500+ Vouches

2k+ Posts

Comes with a PlayerAuctions account that has 100+ Feedback.

This would be great for anyone that buys\sells gold, does a lot of trades that are RS Related, or wants to try scamming a large amount with it(Which I don't condone, but if you buy it, it's yours to do with as you please).

Post\PM if you're interested, I'll be looking for RSGP or Paypal.

I'm not stating the username lol, there are Sythe users here that browse the forum, guarantee I'd get banned in under a day.

I believe it's allowed, if you're the owner. I've seen plenty of Sythe\Powerbot account sale threads using the search tool.

You should state why you are selling this account. If you have so much vouches means you traded runescape gold a lot which is good profit for sure and why are you selling it now?

I barely get on my computer anymore, it hasn't been used in quite awhile. I have zero intentions of using it.

Could I get a PM with some proof, the account name, and other information in regards to it? I'd genuinely just like more info.

Thanks in advance :')

Just speculating here, guys. You say you want to sell the account, because you don't get on your computer much, yet you're willing to sell the account for rsgp.. I don't know why, but that doesn't add up to me.

RSGP is a pretty valid form of currency, and I posted this account about 5 months ago ?
