(Mar 4, 2015 09:46 AM)markeloff Wrote: [\[CITE\]](#) #EDIT:

Received a copy, tried the availability checker and the turbo, both work perfect and fast.
It's \$12.50 for a lifetime copy, totally worth it!

Thanks OP, GLWS.

(Mar 4, 2015 12:29 PM)Fine Wrote: [\[CITE\]](#) Vouch for this Turbo, super HQ and Insanely fast.
Better than others on the market.

Zach? - March 12, 2015, 10:43 am

Can't wait to pick this up when you accept paypal.

Aside from that, the preview looks amazingly fast, looks 10x better than the other turbo on the market.

Thanks for the vouch man.

There was an InstaGram update yesterday. The Mass Username checker is currently down but I'm working on fixing it. Turbor still working fine though, just tested it now

Edit: Nothing too serious, It was just the instagram servers. It's now fully functional.

King - March 13, 2015, 2:38 pm

Vouch for Gerges! Legit and working product. Good luck with your sales.
