Thread: [HELP! Forgot Anime and it's driving me CRAZY](#)

Kagai - March 4, 2015, 8:35 pm

I've been researching this anime for soooo many days, so I feel like it's a big enough problem to me to ask for you guys to help me!
Before I start, the anime is not Magi! :c

The anime is a magic anime, and there's one guy in particular who acts dumb/weak but when a professor or teacher sees one of his scuffs with an opponent [a girl], but it was not a fight, it was a school training thing, he slowed down the fight and saw that the guy raised his hand and blocked her lightning magic with a barrier spell or something along those lines, and he's something he doesn't want the people to know. That's all I know, and I pray to Jesus someone knows what anime I'm talking about. Thanks!

I don't think that's it either.

I'm trying to think of it myself. Let me know if someone gives you an answer OP. It sounds right up my alley.

Sounds cool, it is already on my PTW, so I guess I am watching this next. Thanks.

Are you talking about a A certain Magical Index because the hero in that also blocks an electric attack.

That sounds like an awesome anime. I'm watching Psycho Pass atm (would recommend, not as good as Kaji Ultimate Survivor but still pretty up there with things like Mirai Nikki and Attack on Titan), and will have to add this to my watch list!
