Thread: [Finally found a niche that makes me up to \\$1,000/week](#)

FatBurrito - March 7, 2015, 12:49 am

Couple weeks ago I figured out about a method that has been earning me close to a \$1,000/week. I believe within the next week or two, that I will be earning above \$1,000/week. This is fucking great. I have tried countless amounts of eBooks and none of them work. I am finally happy that I found my own niche that is autopilot and works! I may decide to create this method into an eBook and start selling/or even give it away for free for members on HF! All I know is that this method cannot be saturated so I have no risk of selling it or sharing it. ?

Regulus - March 9, 2015, 3:52 pm

Now that's some impressive shit. Lets make a deal, you teach me this and I'll give you 50% or even more of the earnings the first 2 weeks or month. :)

Hit me up :)

Durham - March 9, 2015, 3:54 pm

Wow, I don't know goifhis is for real. But if you do it for free or can give out some vouch copies contact me!

iMario - March 9, 2015, 5:13 pm

That's great. Congratulation! I personally made a lot of money online but it is not "white hat" so I'm kinda tired of that I want to do more moral and legal stuff so maybe you're method would be the one

that will I'll move on with so whenever you'll think of releasing an eBook, hit me up :)

EvilMorty - March 9, 2015, 7:30 pm

in most cases real earner never sell their mathod. I would not sell a mathod of mine for even 10000\$ which generates 10\$ daily honestly.

Best of luck OP

Franklin Hatchett - March 10, 2015, 2:46 am

Nice earning OP! congrats mate :) hmu if you ever sell an e-book

boyzcode - March 10, 2015, 2:56 am

This is Great, I will like to know more about this and want the ebook!!

FatBurrito - March 20, 2015, 6:12 pm

Been working on writing the eBook the past couple of days. I've considered selling the eBook, but I have decided that one (or a few, not sure yet) will get access to my private method/niche. I will give the user(s) one on one tutoring and help them make money.

Pullinski - March 21, 2015, 8:36 am

I'll pm you with a safe gambling method that could earn you between 10-500% of however much you want to put in, the more you put in the safer it works, will pm you, and hope to see some nice ass earnings posted from that ?

Also, I just noticed this...

Crescent - March 21, 2015, 9:17 pm

This would be amazing! Never really gotten myself into eBooks but I need to start making some money for a new computer and a car.

IpSiety - March 22, 2015, 12:56 pm

If you decide to sell or share it, hook me up.

Pew ? - March 23, 2015, 11:40 am

You'd have to be the stupidest person alive to sell a method generating 1k a week

Grats. ^.^

Mr.Peanut - March 23, 2015, 11:42 am

I'm in a similar situation as you op, and lemme tell you... It's a great idea to reinvest your profits into another source of income. It only helps you :p
