Thread: [Hacking ArmorGames NEW!](#)

Mortalis Piratica - June 10, 2010, 4:41 am

Please Administrator Or Moderator Don't Ban Me But I Am Just Showing You To Crack This Hack. This Is A Simple Armatar Hack You Can See My One Too Less AP And Good Avatar Set.

Step 1: Goto <http://armorgames.com/account/armatars> Or Simply Click On Control Panel And Then On Armatar Link.

Step 2: Click On The File Menu From The Upper Left Of The Browser & Then Save The Armatar Page As Test.html.

Step 3: Edit The Test.html Page With Notepad Or Wordpad (That's Your Choise) And Search <form action="/account/armatars" method="post" id="armatararea"> And Replace It With <form action="http://armorgames.com/account/armatars" method="post" id="armatararea">(Only Add <http://armorgames.com> To The Left Of The /account Text).

Step 4: Also Find This "value="armatar-4"". Replace The 4 With 283 Or Any Other Value.(This Value Is Armatar Value I Mean 283 Used To Be The Sun Wearing Glasses And 300 Used To Be)

Step 5: When You Are Done Changing The Value 4 Click Save And Open The Test.html And Choose 1st Armatar And Click On Update In The Last Of The Test.html File.

For Any Suggestion Or Help About This Hack Comment Please. ?

Check My Profile I Have 700 AP And I Have 1000-4000 Between Armatar. HAHAHA

<http://armorgames.com/user/gamemakermaster>

167 Value Is Used To Be Knight_34 Armatar & 177 And 163 Is My Favourite Armatar.
