Thread: [1st attempt website desing](#)

Mr.BTC - March 7, 2015, 3:28 pm

As the title says it's my first attempt Doing this. I'm finishing the footer and some other info

Spoiler [\(Click to View\)](#)

V2 of the design

Spoiler [\(Click to View\)](#)

What you guys think?

Here's the 2nd web design i have done:

Rhy1v0 - March 7, 2015, 10:12 pm

The first thought I had was - "whatyearisit.jpg"

Bdwi - March 7, 2015, 10:13 pm

Good job if its your really first attempt.. keep us the good work. ;D

Deadbyte - March 7, 2015, 10:15 pm

Not bad for a first design, actually it is a good job!

Street Style - March 7, 2015, 10:15 pm

It looks like a nice simple design if it were made for some browser game. Reminds me of that one myspace mafia game. Just keep practicing bro!

ChrisBrownOfficial - March 8, 2015, 6:07 am

i really like this design mate but i think u should use more colors for this design.

, keep it up!

u got skills!!

boyzcode - March 8, 2015, 6:11 am

Good design, keep it up man, if this is what you do on your first design...

Whatsapp Inc. - March 8, 2015, 6:12 am

It's totally not bad for first design it's just that i hate the fonts

Jelo - March 8, 2015, 6:23 am

What programs did you use to code this mate? Looks great.

(Mar 8, 2015 06:12 AM)Cracked. Wrote: [\[CITE\]](#) It's totally not bad for first design it's just that i hate the fontsThanks bro i fixed that already gonna upload V2 in a while

(Mar 8, 2015 06:23 AM)Jelo Wrote: [\[CITE\]](#) What programs did you use to code this mate? Looks great.Dude i don't code even though i'm gonna try to code this site in html5 and css3 with a program call Dreamweaver by adobe
And the program i use to make the design is photoshop

BelgiumBrownies - March 8, 2015, 7:44 am

The web design isnt the best design tho. but looks good.

Mr.BTC - March 8, 2015, 5:03 pm

???

Gatot Kaca - March 8, 2015, 5:15 pm

loved ! black and white simple but modern.
great work op.

nanosus - March 8, 2015, 5:26 pm

The text is generic and old.
Otherwise great design!

(Mar 8, 2015 07:41 AM)El Capo Wrote: [\[CITE\]](#) Thanks mate

Thanks bro

Thanks mate will do in my future designs

Thanks mate

Thanks bro i fixed that already gonna upload V2 in a while

Dude i don't code even though i'm gonna try to code this site in html5 and css3 with a program call

Dreamweaver by adobe
And the program i use to make the design is photohop
Oh good job! Keep up the amazing work
