WOW! Very nice of you sharing this with the community :) Gonna use this in the future.

?Astronaut? - March 8, 2015, 11:56 am

Vouch For Frankie 2 days in a row something is released ?

Internet Explorer. - March 8, 2015, 11:57 am

WOW, thanks for sharing this - hella useful!

Entityy - March 8, 2015, 11:58 am

What exactly is this used for if you don't mind me asking?

john12 - March 8, 2015, 11:59 am

Thanks for this program,quite useful tool

It is more commonly used with .exe programs to make a file appear as though it is larger than it really is.

You open any file you want in this program. Then you select Kilobyte or Megabyte then you select a size and click pump. Then save as anything with the file extension you chose. then it is the file you chose but with the file size you selected. ? Enjoy My Friend.

FRANKIE - March 8, 2015, 12:09 pm

Good to see a lot of response to this. Hopefully more programs are soon to come!

Sakura-chan - March 8, 2015, 12:19 pm

Useful tool ;) May I suggest you add a couple of other functions to it?

Of course you can make suggestions, I am always trying to make & add new things.

Internet Explorer. - March 8, 2015, 12:23 pm

Frankie, might be abit off-topic: But where have you learned coding?

Thehackerguy1 - March 8, 2015, 12:23 pm

Wow Thanks a lot bro, HQ guy, thanks for this.

D4T4B4S3 - March 8, 2015, 1:44 pm

Thanks for the tool. Good job Frankie, HQ as always.

FRANKIE - March 8, 2015, 1:53 pm

Thank you all for the positive feedback. I need to find out why they took down my other program.

Lol I'm the one who coded it ? That is why it says Thanks To Just Another Guy near the bottom. ?

Buffalo - March 8, 2015, 4:14 pm

Another decent tool Frankie. Keep them coming mate!

nanosus - March 8, 2015, 4:17 pm

Thanks OP

Finally a separate file pumper tool.

Added to my personal tool belt.

Gave credits too ;)

FRANKIE - March 8, 2015, 4:19 pm

Of course, credit where credit is due.

Thank you all for the positive feedback.

Suspect???? - March 8, 2015, 10:12 pm

Thanks! Were was you when i needed this anyway thanks !

ASLR - March 8, 2015, 10:14 pm

Why do you put your name in all the thread titles? We can see quite clearly who posted the thread.. you know.. right below the title... where it says who posted it...

Nice to see you completed some of your tools bro. Nice contribution!

FRANKIE - March 24, 2015, 10:06 am

Anyone still wanting this now is your chance to get it.

b?xxy - June 11, 2015, 7:54 pm

Your image is not working dude, just a heads up.

FRANKIE - September 2, 2015, 3:41 am

The wait is almost over for this tool. I have just recently reset up my battle station and will respond to all personal messages within a week or two.
