I loved this anime so much. So much feels throughout every episode. Nothing romantic happened between sortatu and mashiro :(and the other girl didnt confess to him either. Uggh is their going to be a season 2? ?

Ang?I - March 9, 2015, 12:39 am

I honestly don't think there will be a season two.

Good riddance.

You didn't like it? I thought it was pretty nice but I haven't seen enough anime to be critical. Anyone got recommendations for other animes like this?

I did like it but I'm tired of hearing about it at this point. Mashiro Shiina is a plot device if I've ever seen one.

As for recs, try Bokura wa Minna KawaiSou.

I loved it mate, hope for season 2 :D

vouch Bokura wa Minna kawaiSou is fucking hilarious & quite good.

I liked Sakuraso but I wish they could have done more in the romance dept.

Anyone know if the Manga goes farther than the anime? The ending of the anime was pretty bad..

Chad ThunderCock - March 9, 2015, 4:49 am

No manga only LN and from what I've seen it sucks after season 1 ends. I doubt there'll be season 2 despite really enjoying sakurasou

Sakurasuo was a great anime, had feelings and wasn't too fan servicey/over dramatic. The art style was great though the MC took his anger out on Mashiro a bit too much, I would enjoy a second season but seeing how the story ended, it would probably be a continuation of another students life in sakurasuo.

Good riddance.oy screw you, I need more Nanami in my life

Actually, they should make a spin-off called Sakurasou no Ponytail na Kanojo and make it revolve around Nanami.

Also didn't like the ending. Hate it when an anime cops out.

She was my favorite.

I think there should be a spinoff about Misaki and Jin's relationship.

Light novel.

·Lawliet· - March 9, 2015, 11:43 am

Uhhmm Toradora, Honey and Clover, Shigatsu was Kimi no Uso, Lovely Complex and Anohana should definitely be on your to-watch list IMO. Lot of emotions in every each of those.

And vouch for Bokura was Minna Kowaisou, although you better read the manga of this one, is thousands of times better.

You can't unless you can read japanese, also it kind of sucks after the anime was over, from what I've seen and read

barrier - March 10, 2015, 9:51 am

i just want a season 2 cause sorata and mashiro 'do it' in the light novel after :D

Taiga Aisaka - March 11, 2015, 1:44 pm

Yeah glws on season 2 but if I was Sorata I would fuck Mashiro every single day and just rape the fuck out of her :3

Jay? - March 11, 2015, 2:23 pm

Season 2 was being thought about. Never heard anything though.

BUT Spoiler [\(Click to View\)](#)THEY HAVE SEX

Which makes it 10/10 imo. Most other stories end with them admitting their love for each other etc. But with I've read it goes way beyond that. They even Spoiler [\(Click to View\)](#)Break up at the end of the LN, then fast forwarding a bit to them reconnecting.

It was very well made.

from the bit I've read

Spoiler [\(Click to View\)](#)

I hated their breakup, typical excuse that Jin used with Misaki.

But yea they have sex, had more potential if the love part was more developed instead of a sudden break up only to have them reconnect after a while

Spoiler [\(Click to View\)](#)I feel like they should of let it end with the break up then make the whole

epilogue a separate book that'd be perf imo.
