The grammar and structure is very good and fluently with no errors.

Ease of use 10/10

This takes some time set up based on your experience. But it is very simple and well explained.

Originality 10/10

I can't judge if it is 100% original because this is the first ebook about hacking I have read. As far as I know this is original.

Overall 10/10

This works, it's easy to do, and it will complete the task you had before purchasing the ebook.

Cheers

Am I very trusted? If so PM me buddy.

Miniature - March 9, 2015, 11:11 am

Can I receive a vouch copy?

I will write a detailed review of your product :)

blocknode - March 9, 2015, 11:11 am

I would gladly take a vouch copy and write a full review on it :)

Pm me to see some other reviews I made.

XTC. - March 9, 2015, 11:13 am

Vouch copies have been given out!

Selling it for \$3.00 BTC for the first 2 customers guys! :D

Miniature - March 9, 2015, 12:16 pm

I received a vouch copy and I gotta say: This ebook is simply amazing.

Grammar 10/10.

The grammar was just perfect.

Ease of use 9/10

This is really easy to "Set up".

Originality 8/10

I haven't seen this method before, very original in my opinion :)

Overall 9/10

This is worth all of the money, and you could probably make a shit ton of profit if you took the time.

I bought the premium version, can't wait to try it before it gets saturated. Will write back or edit with a review.

Renard - March 11, 2015, 3:30 am

I'm curious about this,

What does this method involve?
