You defaced or DDOSSED because i am getting this message

Bandwidth Limit Exceeded

The server is temporarily unable to service your request due to the site owner reaching his/her bandwidth limit. Please try again later.

? for real? Check the date that this thread has been made. Websites that are maintainrd well mostly see when their site has been hacked. So they would have removed or fixed it.

Plus he said he defaced it. So that means no ddos.

If you don't have something useful to say Don't say anything at all. I don't think you will be enjoying this forum for long if you keep posting that kinda nonsense.
