Have any sales yet? Don't see anyone posting here, but sometimes people like to do business via pm.

Also I'd think you should put this in service offerings.
And any chance you'll be offering rust server website votes in the future?

I have made only 1 sale on HF but some off site,

PM me the link to the rust server website voting page and I'll take a look.

I assume you're not looking for vouches?

GLWS! I remember uVote, was a good service (I think its down now, gonna check)
Happy somebody else is doing this :)
