Thread: [Video: Live Web Design!](#)

Hostamia - March 11, 2015, 1:29 pm

Greetings,

I thought this deserves to be posted, great skills!

Regards,

Hello,

Thank you for replying! I did not create the video :) Just simply sharing this live web design development for others that might be interested in the field.

Regards,

Regards,

Could, should, won't.

I don't have time for that sorta shit.
