Thread: [Running person doodle](#)

Jwan - March 14, 2015, 3:59 pm

A character of a game called Space Station 13, running away after being spotted with a deactivated light-saberr.

Feedback is appreciated, thanks

drawn awesome with the Shades and the different brushes used to draw the head!

Sharkitaxe - March 14, 2015, 4:06 pm

Looks nice, but have you ever been as far as decided to want to do more like?
