I have been trying for 2 days now to find out someones address. I have permission ofcourse. Can anyone give me some tips?

InTheCut - March 14, 2015, 5:26 pm

Its sad. I'm new and know there's a section for dox'ing

Astral™ - March 14, 2015, 5:36 pm

What info do you have on them currently? Usernames, anything? Also theres a section for this.

HOW WOULD YOU LIKE TO CLAIM YOUR AWARD TODAY?

Delevingne - March 14, 2015, 5:38 pm

If you still need help; shoot me a private message. I'll help you and give you tips.

I would say social networking sites like facebook is a good one to find first since they usually post that kind of thing on there and you can always see their close friends or relatives that post their schools, etc.
