Hello Everybody.

I will send it via Paypal only :)

Please do not PM me, just post in this thread, thanks!

I love this community and I love all you guys who support it with your donations towards it. I am sorry it is not a bigger donation but this is the first of many to come and is just my way of saying thanks to all you awesome people!

Thanks everyone for entering the giveaway.

All 20 dollars have been given out in order of people who entered. Sorry for those two or three people who I skipped, it is because you did not post your paypal or even PM me! No worries though, many more giveaways to come.
