Thread: [Free \\$1 BTC to first 6 posters](#)

**itsMeCherry** - March 16, 2015, 3:17 pm

Hello HF!

So I did a giveaway to 20 ubers today and I am back to do another giveaway!  
This time it is in BTC for those who did not have a paypal account.

I am giving \$1 in btc to the first 6 uber posters who post their btc address.

I love this community and its members, and this is my way of giving back!

Regards
