Nice bro, will check this out.

Looking good.

?

Kr?nus - March 16, 2015, 3:21 pm

Glad I could code this for you man! Hope some people here will find a good use of this :)

lean - March 16, 2015, 3:21 pm

Yo Frankie this is sick! man, thanks for sharing

Comedic - March 16, 2015, 3:21 pm

Looks sick, gonna test this out.

Btw, you misspelled 'alternative' in your title. :-)

FRANKIE - March 16, 2015, 3:22 pm

No problem, thank you all for the kind feedback & Kronus for help with it :)

Thehackerguy1 - March 16, 2015, 3:22 pm

Thanks Frankie bro, imma try this now :).

Fixed! Thank you for the kind words as well!

Viral221 - March 16, 2015, 4:07 pm

nice and simple well done frankie! im going to bookmark this for later use

FRANKIE - March 16, 2015, 4:41 pm

Thank you for the feedback. Simplicity was what I was aiming for.

Cresent - March 16, 2015, 5:46 pm

Bookmarked. I'll be using this from now on, thank you very much!

FRANKIE - March 16, 2015, 5:48 pm

No problem I am glad you like the site. Updates will be made as I see fit :)

Vip?r - March 16, 2015, 5:48 pm

Have the links pop up in a new tab, I get "Confirm Form Resubmission" when trying to go back.

Illuminati? - March 16, 2015, 5:51 pm

I really like the site.

Dark and simple.

Bookmarked.

I don't know how I would be able to do that. Whenever I click on it it opens in a new tab.

?Astronaut? - March 16, 2015, 7:13 pm

HQ Tool HQ Guy Check This Out xD

sdk - March 16, 2015, 7:57 pm

Hey my dudeeeeeee, can't wait for your next project ;)

FRANKIE - March 16, 2015, 8:09 pm

I can not wait for the next project either. Very excited.

Ventures - March 16, 2015, 10:33 pm

Very awesome website. It works flawlessly. Thanks again, Frankie.

Radar7 - March 16, 2015, 10:34 pm

Stop being so HQ. You're making the rest of us look bad!

In all seriousness though, great work man!

ICYTWAT - March 16, 2015, 10:43 pm

i like the layout man nice. I will be testing this seems interesting.

FRANKIE - March 16, 2015, 10:44 pm

Thank you all for the kind feedback. I really appreciate the kind words & support :)

Aur3xis - March 16, 2015, 10:45 pm

Thanks for sharing, will use this instead of imgur!

FamousHater - March 16, 2015, 10:46 pm

looks good just wish it would allow us to resize images like imgur does.

ICYTWAT - March 16, 2015, 10:50 pm

Came back to confirm that this is legit!

FRANKIE - March 16, 2015, 11:00 pm

(Mar 16, 2015 10:46 PM)FamousHater Wrote: [\[CITE\]](#) looks good just wish it would allow us to resize images like imgur does.

Updates will be made as need be but for now it will remain as simple as it is.

FRANKIE - March 17, 2015, 12:57 am

Will be getting a sticky for this soon. Thank you for all of the kind feedback.

Purest. - March 17, 2015, 12:59 am

That's amazing!

Now we don't need to worry about people not seeing our threads because of their isp blocking imgur!

Would love a drop / drag feature though!

Will be adding more things as time goes on but for now I prefer the simple aspect to it. Drag & Drop will be added after we get a sticky :)

C-Only - March 17, 2015, 6:32 am

Damn mate, this is simple and amazing.

Already bookmarked the shit out of it.

Can't we to see how the site will develop with time. ?

Disable. - March 17, 2015, 7:02 am

Simple, quick, and easy on the eyes!

Definitely bookmarked!

TTSIDL - March 17, 2015, 7:12 am

Damn you make/run a lot of shit

How do you keep up with it all lol

As for your site, it's simple, I dig that.

Cammy - March 17, 2015, 7:34 am

Could you make a drag/drop upload system just like imgur.com has?

I really like that feature. Good site Frankie!

FRANKIE - March 17, 2015, 10:27 am

The drag & drop will be added soon. Thank you all for the kind feedback!

Stu-Pot - March 17, 2015, 1:43 pm

I've always wondered how to make image sharing websites.

FRANKIE - March 17, 2015, 1:46 pm

Update: Drag & drop will be added officially after a sticky for the thread.

? **[\$(1000)\$] ?** - March 17, 2015, 2:04 pm

works perfect.

Thank you frankie!

FRANKIE - March 17, 2015, 2:05 pm

Thanks for the feedback. A drag & drop feature will be added soon so stay tuned for that & other updates :)

LessThan3 - March 19, 2015, 10:07 am

Simple and easy to use! Great site. Will be using this more often soon!

FRANKIE - March 19, 2015, 12:30 pm

No problem, I am adding the Drag & Drop as we speak!

Aurora - March 19, 2015, 1:34 pm

Gyazo did not invent the wheel, they also re-invented it, so whats the reason Frankie wouldn't do it?

FRANKIE - March 19, 2015, 1:36 pm

Thank you Sinister for the kind words.

Be sure & check back soon for the update!

Cyrus - March 20, 2015, 1:40 am

Nice tool, quite useful for some people

FRANKIE - March 20, 2015, 1:44 am

Thank you Cyrus for your feedback. Check back soon for the drag & drop update.

Delevingne - March 20, 2015, 7:46 am

I'm now using this as a alternative of Imgur (that deleted 90% of my images uploaded) and it works perfectly!

FRANKIE - March 20, 2015, 7:49 am

Thank you DALO for the feedback, I appreciate it.

Jcgob - March 20, 2015, 7:55 am

Thanks Frankie! This is what I've been looking for, for a while now - a good image uploader with direct links. The best part is that it is simple.

Vouch for this

FRANKIE - March 20, 2015, 7:58 am

No problem my man, thank you for switching over to this image uploader!

well then - March 20, 2015, 1:48 pm

Wow this looks really cool. Good luck with this Frankie.

FRANKIE - March 20, 2015, 1:52 pm

FRANKIE - March 20, 2015, 2:11 pm

(Mar 20, 2015 02:09 PM)Dex? Wrote: [\[CITE\]](#) what will these future update entail?

- Drag & Drop
- Ads (Nothing in your face)
- Image Cropping
- Image Resizing
- Screenshot Auto-Uploading Tool

FRANKIE - March 20, 2015, 5:28 pm

I believe the screenshot tool will be done first & the rest will come later.

It shouldn't be too hard to implement into ShareX. If you have an API, it can simplify it even more.

I'll see what we can get done. For now it will stay as is but the ss tool is just the beginning.

sdh - March 22, 2015, 10:35 pm

Screenshot tool is done to the extent of uploading to imgur. Uploading to quickimage will come soon.

FRANKIE - March 22, 2015, 10:37 pm
