Title says it all. It's a question that makes you think. Also by sitting I mean penetration and by eating I mean oral sex.

What the fuck even in this shit?

Mfw

Shit on a dick and eat a dick

Wheezy Gang - March 16, 2015, 4:34 pm

Ill sit on a dick and eat a pie. Minor pain and gayness, but in return I get to eat a pie.

scirpkiddie - March 16, 2015, 4:38 pm

Gotta say sit on a dick and eat pie atleast I won't be choking on a dick aha

Sit on a dick and eat a pie ofc

CheesyBread - March 16, 2015, 7:08 pm

Sit on a dick and eat a pie. Sure there's some gayness involved, but free pie! Plus you never specified that insertion was required. So not really much pain in that case.

I wouldn't show up because believe it or not I'm not a fag.

I would like to have oral sex with the pie.

I hope that answers your question OP.

Plot twist. The pie tasted like dicks.

I'm fucking confused. What does a pie have to do with sitting on dicks?

Malekyth - March 17, 2015, 2:21 pm

Sit on a dick and eat a dick easy lol

King julien - March 17, 2015, 2:38 pm

I'm going with the sitting on a dick and eating pie. As a homo though I would probably sit on the dick anyway.

St0rm - March 17, 2015, 4:43 pm

Sit on the pie and eat some pie

Win/win? :D

Xandor - March 17, 2015, 7:23 pm

When would I ever be in this situation in the first place?
