Thread: [Got Scammed, Karambit Fade Factory New 60/40 \\$435 SCAM uid=1296484](#)

BigTDog - March 16, 2015, 9:57 pm

This user <https://hackforums.net/member.php?action=profile&uid=1296484> his UID uid=1296484, scammed me of \$435, He said he will send the BTC after I give him the knife which I thought was understandable because of his rep and his awards he had been given.... I thought wrong, he then blocked me on Steam, Here are the pictures below, I even confirmed it was him on steam by making him send me a message through HF which I will show you in the pictures.

- Him sending the MSG on HF
- Him confirming this MSG

<https://i.imgur.com/oVI56Gs.png> - The trade has gone through.

He then ignored me for 30 min then blocked me.

If you could spread the word of this user and warn members of him scamming that would be great, thank you.

Regards,

Dog.

Summit1g - March 16, 2015, 11:20 pm

Never trust any HF members m8. I learned that the hard way as well.

Anyways, good luck with your report, seems legit.

S. Koda - March 17, 2015, 3:20 am

OP, please put his UID in the thread title, people searching for this UID don't find this thread.

Sad to see stuff like this happen, be careful of who you trust on this forum.

#Infinite - March 17, 2015, 3:24 am

Wow man.. That sucks especially when you lose \$435, Lesson learned to always have a middleman.

Moseby - March 17, 2015, 3:25 am

guycheap - March 17, 2015, 6:56 am

You can easily get the knife back contact steam support it'll be in a month or so lol but you'll get it back.

Kuxley - March 17, 2015, 10:11 pm

This needs to be corrected immediately, I can't believe this is an ongoing thing, should be done and dealt with at least on the forums side of things aka ip ban and acc ban etc

Disparity - March 17, 2015, 11:29 pm

Guy's trying to buy other Karambits on reddit as well. What scam.

Remix™ - March 17, 2015, 11:33 pm

Palmaa - March 18, 2015, 12:30 am

That's a sexy knife to be scammed like that....

Use the middleman 'Package' or someone else in the service offering section next time.

Middleman would be smart, but I've seen naughty middlemen as well.

BigTDog - March 19, 2015, 8:41 pm

I appreciate everyone trying to help me out, I just want to thank everyone! This is a good lesson to be learned... but a painful one also. I hope he never ever scams another person EVER again. He is a coward and a scum, I believe in karma so... he will get whats coming to him. What goes around comes around.

Dog.

Prince™ - June 5, 2015, 1:10 pm

Should have used a Middleman service for such a huge price of something that you're going to trade. I hope you get it back.

I'd be so mad if I were you. Sorry for your loss.

drawbackK - June 5, 2015, 8:46 pm
