Thread: [Can you change your name without L337/UB3R?](#)

Jeremiah † - March 18, 2015, 2:54 pm

I hate my username, so I need to change it. Is it possible to change it without L337 or UB3R?

ViN - March 18, 2015, 2:55 pm

Nope, you're going to have to upgrade in order to change your name.

That's an upgrade feature my man. Upgrade and then you can change it.

Life sucks.

Why you picked that user name if you hate it?
