Honeybun - March 19, 2015, 6:54 pm

UPDATE 2018: I'm bringing back the best ebook I've ever released. PM me to purchase.

Hey guys, I'm a professional HoneyBun consumer so I figured I'd make a HQ ebook on the proper way to consume them.

Everybody deserves to eat Honeybuns to their full potential so I'm only charging 0.10 USD for all the hard work I put into this.

If you have any questions please comment below.

PM for purchase.

Vouch Copies Remaining: 0/2

~ Ye Ol Bun.

Ayyyy Imao lemme get a vouch copy thanks huhue

Okay this is the funniest shit ive seen all night Imao.
Vouch finna goto the store to get more honey bunzzzz

Berry Fusion - March 19, 2015, 7:10 pm

I would absolutely LOVE a vouch copy. I have been looking for something like this FOREVER!

Sadly all of my capital has went to Honey Buns, so a vouch copy would be great.

Berry Fusion - March 19, 2015, 7:20 pm

I have thoroughly read the material, and from my experience this is a VERY high quality eBook. There are some methods in here on eating Honey Buns, that I have never seen before. I can personally guarantee after reading this your Honey Bun eating experience will be at LEAST 10x better.

This seems like a fun and promising service, if anyone flames this it's probably because they choked while eating a honeybun ? huehuehue

Good luck with this ?

Its quite easy to get 1\$. Just hit up a homie on Skype, this is a perspective change everyone needs. Its life changing.

Zenode - March 19, 2015, 10:52 pm

Haven't even bought it but I can already vouch for this.

Chr0nicHax - March 19, 2015, 11:46 pm

Is this method rly legit? I've seen some leaked public methods last few weeks...

Arcturus Mengsk - March 20, 2015, 4:35 am

Theres a pirated version of this floating around.

I can assure you this method is private lmao.

Buy a copy and find out

DigitalDesire - March 20, 2015, 7:47 am

Does this method also work for non-honey flavoured buns?

Yes, this also works for non-honey flavored buns.

BI?ckhat - March 20, 2015, 2:34 pm

Holy titty fuck, I have been eating HoneyBuns wrong my entire life..

This has changed my perspective of the world.

Thank you HoneyBun, for being there when noone else was.

No, This is absolutely a clean method. No saturation. Completely original and legitimate.

The other method was created by a fool who knows nothing about any type of pastry.

KwikTrip - March 20, 2015, 5:26 pm

Will this work in any country?

I think honeybuns are slightly different from one area to the next :)

Incredibly easy to follow, its laid out well with bullet points, chapters and labels.

Good luck if you decide to purchase!

RatchetB?ooty - March 21, 2015, 10:48 am

Going to buy this now. I'll post my thoughts after I've read it. Hopefully it's not saturated...

Edit: Link is broken. Redirects to a forbidden page.

Fucking LOL'd at this. GLWS, might buy if I ever save up \$1.

Orianthi - March 21, 2015, 7:00 pm

I bought a honeybun, and now I am deciding on if I really want to learn how to eat one the right way ?

ICUP - March 21, 2015, 7:02 pm

Where can I get a honeybun in the UK? In fact, what is a honeybun? :/
