Well done.

Why do the stats look edited? Some are normal, others not so normal.

It is like your font is fucked up or something, or it is re-sized maybe.

It is like your font is fucked up or something, or it is re-sized maybe. Sometimes OSBuddy does it to the font, i never edited my stats though.

Also no this account is not bottd.

Staked and lost bank, now back to wyverns to "rebuild" to get my fury back.

Was thinking about doing 80-90 range at wyverns. I'm now 81 range from them.

I also got 90 defense.
