We don't need a silly tournament to fkn solve our personal issues.

You shouldn't have insulted my momma.

You're going to pay for this.

I'll be waiting for you in my 1v1 room.

Idk this guy is some Anime cunt. Don't expect him to make sense.

Oh and the winner gets a spot in Nightfall.

There'll be one of these for EUW at a later point in time too.

bilibili - March 20, 2015, 8:35 am

how did they get the Nightfall userbar before? This bar is really nice one, I want one. XD

lean - March 20, 2015, 8:36 am

So much people are getting the URL thing wrong hehe

bilibili - March 20, 2015, 8:36 am

damn seems like all people above have that userbar...

They're invited because they meet our requirements and we wanted them to join.

We look for gamers with an interested in playing and discussing with others.

Oh and some of them bought in.
