As you may not know i am a Indian, i feel some Indian's are really stupid on Facebook.

Most people are from Uttar Pradesh or Bihar area are completely idiots.

They speak like this "koi mera mbl ko rcg krega?" They actually mean Will anyone recharge my mobile currency.

And their so called hackers be like.

Ghst Id
Fb Phish
Hk ny Fb
Sftwr is thr 2

only 50rs rchg.

They are very annoying.
I am not offending anyone, it is my opinion. Thats all.

EDIT: Have you ever met these kind of people?.

dragonhuman - March 20, 2015, 2:38 pm

I'm also not trying to offend anyone, but Indians are annoying AF.

KaptaiN - March 20, 2015, 2:38 pm

I heard about the recent Bihar incident, with every student's parents helping them cheat during an exam through the windows. Hilarious.

India would be a much better place if it was still under British rule.

wellager - March 20, 2015, 2:54 pm

People are like this all around the globe.

All indians are not annoying, only some of them.

I hate those horny indians by ewhoring like damn!
Factor8 is a HQ indian tho :D

wellager - March 20, 2015, 2:56 pm

Aggron, you're trying to say some humans are HQ and some humans are LQ?

Yes, indeed.

Well you cant be exactly "LQ" everyone is the same, but the way how they act is annoying AF.

MadMango - March 20, 2015, 2:57 pm

Well That's true even if you notice this bihari o Utter Pradesh people are much active on everywhere and they have ruin reputation of indians online because they are always horny wtf! people had to generalize!

I think it's an extremely ignorant statement; you're trying to define the quality of human beings based on the way they interact with others on a meaningless social network. (Facebook in that case)
A lot of people act fine in society but are monsters inside.
