Thread: [Scammmed by Mungle\(Diiaz\) UID=1706955 and Jeff Seid UID=562017 CSGO KNIFE \\$91](#)

xoptical - March 22, 2015, 8:41 am

Hello,

diiaz = <https://hackforums.net/member.php?action=profile&uid=1706955>

Jeff Seid = <https://hackforums.net/member.php?action=profile&uid=562017>

I was selling my CS:GO Flip Knife Slaughter MW for 90 USD when i get a message from Jeff Sied saying he'd pay for it and use diiaz as a middle man. I checked diiaz's reputation, posts etc and he seemed trustable and had no reason to not believe he was legit. I transfer the knife and out of no where they both block me on Steam and diiaz takes a vacation ban straight away.

This just annoys me as i was cautious at the start saying to him that just cause he has 1100 reputation doesn't make him trustable and i still fell for it. I guess it happens to all of us in the end.

Horny - March 22, 2015, 8:53 am

Sad that you got scammed, CS:GO is just a kid community.

Declan? - March 22, 2015, 8:55 am

diiaz just took a vacation ban ? that's not making it look good for him.

EDIT: I just noticed that you wrote that in the OP ???

Teh Afro - March 22, 2015, 8:55 am

Diiaz isn't someone I'd take for a scammer. He has a nice inventory already. Let me send him a message and see what's happened, although this looks legit.

I amde a thread about this.

I even got diiaz to send me a private message on Hack Forums just to confirm it was actually him, it's not impersonation if he has access to the account.

@TehAfro - I agree, i really did look around everything just to double check but i must have missed that post you made 6Hunna. If only i looked a bit closer.

Nalright - March 22, 2015, 9:01 am

Should have checked my community alert dude. Something is up with Diiiaz.

The thing that gets me the most, it's not even loosing the money. It's the fact that you can do so many nice things and in return you get a poor skid who could have probably just asked me for some spare change and i'd help him out but he has to scam me 90 dollars. I just don't get people.?

M30w - March 22, 2015, 9:08 am

Seems like a legit scam report, good luck getting your shekels back grill

tommy44 - March 22, 2015, 9:10 am

Looks like a legit scam report. Good luck getting your flip knife back :D

xoptical - March 22, 2015, 9:19 am

I'm going to bed now, trying to not let this get me down.

Yup kids are fucking stupid. I just spent \$80 on a Cyrex. I am happy and nobody got scammed.

Teh Afro - March 22, 2015, 9:25 am

It's weird. That's not his Steam but he did confirm it via PM so I'm not sure, and the knife isn't in his main inventory either.

Hydraulic - March 22, 2015, 9:30 am

Another thing that confirms reputation here on HF, it doesn't mean shit, lesson learned.

Hope you get shit sorted OP, would hate if it was me.

Key Punch - March 22, 2015, 1:16 pm

bdy916 - March 22, 2015, 4:49 pm

I am sorry for your loss, hope you get your knife back.

"diaz" [\(Click to View\)](#)

That Jeff Seid guy also contacted me to use him as a middleman.

Why would somebody go on vacation ban if it was hacked, he would of kept trying to scam people. It is clearly him.

How long do you think it'll take before this guy gets an alt account?

gore - March 22, 2015, 7:02 pm

Sigh. I actually liked him.

One more "trusted ub3r" down.

Let's all bow our heads for our fallen brother.

Problem is he's going to come back from Vacation and ban a lot of other people and nothing will happen to him since Staff don't get involved and most people won't check his reputation as he has fucking 1000. How stupid of me to fall for a 10 year old's scam.

Na, staff will get involved if he ends up trying to go out with a bang and scamming even more people.

Or if he admits to scamming onsite.

But true for the most part. Especially if he comes back and acts like nothing happened.

Can only neg him and hope people aren't fucking dumb enough to not actually look at his rep or look up his UID.

Pseudonymous - March 23, 2015, 12:13 am

Eh get him trade banned. If in the screenshots he said to pay you for it they steam support will dupe the item and may get him trade banned!

Go onto his profile hover over his name I think he changed it

Manny - March 23, 2015, 12:21 am

Diiiaz was my nigga I don't see him scamming but this looks pretty legit smfh. I hope when he comes back he explains what exactly happened. Either way it's sad to see that you even went first for a deal. I would of used Package as a MM if I were you.

Oh ok!

90\$ wtf he could have easily scammed more (I don't endorse scamming)

Villezzai - March 23, 2015, 12:46 am

Legit scam report, sorry for your loss OP.

xoptical - March 23, 2015, 2:23 am

Let's not forget that Jeff Seid is apart of this also, they tag teamed me ;(

Visualize - March 23, 2015, 10:55 am

Use a verified MM next time. This guy was a random. I would recommend using Package or even Phyber.

Bleach - March 23, 2015, 12:04 pm

Damn it's said people will spend so much time on getting high amounts of rep to just throw it away over like 90\$ lol

Poor soul Diaz.

Just when he thought he was building his career on the internet, he gets banned.

Being a lowlife on the internet and in real life, so embarassing

xoptical - April 7, 2015, 10:41 am

Market - April 7, 2015, 4:43 pm
