You can choose one of the following for me to do (Choose One):

Only \$1 USD:

I will write the message of your choice in Spagghetios

Mix two ingredients and drink it on video

Eat one full sheet of paper with your message on it

Only \$2 USD:

Pee your name in snow (Must Be Short)

Draw a (Terrible) drawing of your choice

Make a terrible pun on video

Only \$5 USD:

Tell my mom I'm pregnant (I'm a 14 year old boy)

Rub Hand-Sanitizer in a cut of mine

I will something really vulgar and obscene of your choice

Say anything of your choice to my cat

Example: Are you a raisin? Cause you're a raisin my dick!

Only \$10 USD:

Pour one liquid of your choice down my underwear or shirt

Enjoy The Thread Mates!

If this is your idea of fun, you need to get out more. So many things to do, yet you're eating paper
and taking videos of your cat taking a shit.

Metro Boomin' - March 22, 2015, 3:53 pm

Do you currently own a blender, if so I will pay you to mix shit and eat it.
