Thread: [100% Free Method To Double Your BTC Within 12 HOURS! GUARANTEE](#)

whatsupeveryone - March 26, 2015, 10:26 am

I have discovered something really cool, and I'm going to tell you how to do it for free! no bullshit ebook, just simply PM me, and I'll show you exactly what to do. YES, I have done it, and I LOVE IT! I turned 0.1 BTC into 0.2 BTC, then the 0.2 BTC into 0.4 BTC!

This does not involve gambling at all, so don't slam me yet! And look, this is just free knowledge, I'm not selling anything, I'm completely walking you through something that is currently making me a lot of money. It seems too good to be true. If you're curious just pm me :) I just want to help the community out

Astute - March 26, 2015, 10:38 am

Hit me up with the method. Sounds pretty sketchy, but I'm willing to take a look at it.

DO NOT BOTHER WITH THIS!

HUGE SCAM, THIS IS THE LINK TO IT:

<http://time2btc.com/index.html>

"Invest \$2, get \$1,267 if you let us hold your bitcoin for 72 hours" it basically says...

Huge scam, obviously.

Dude, I don't know what it is, but I got money back? Just send them a cent or two, it doesn't hurt haha

Jordana Brewster - March 26, 2015, 1:03 pm

Send me the method please,

Your inbox is full

Blue Shadow - March 26, 2015, 1:04 pm

minimum amount is .01 and they hold it for a time frame then double it? I do not even trust this even with only .01 btc

No way it's real and no proof shown by OP

Site OP gave: <http://time2btc.com/>

Sites are copies

Site found on google: <http://timexbtc.com/>

Most likely a Ponzi scheme

FreeAnneFrank - March 26, 2015, 1:05 pm

It's fake, look at the last payments made.

<http://prntscr.com/6lpmd4>

OP said he just tested it a day before.

Uptraid - March 26, 2015, 1:07 pm

<https://www.cryptocoinsnews.com/bitcoin-ponzi-scam-disappears-least-2233-bitcoins/>

It's a ponzi scheme, they'll double everyone's money for now but once everyone thinks it's legit and investing they'll walk away with a lot of bitcoins

?Saadi - March 26, 2015, 1:11 pm

Sent them a dollar, will report within 24 hours, what happens.

Guro - March 26, 2015, 1:20 pm

Was expecting a semi-blackhat method, but this is an OG BS one

???if? - March 26, 2015, 1:44 pm

I can't PM, so can you please message me this method, this would be really helpful! Thanks man.
