Blade Of Storms - March 24, 2015, 10:56 pm

Ok so my first Con is in like a month and it's ACEN (anime central) i was wondering if anyone from the HF community would be there? i think that would be fairly funny if anyone bumped into eachother there that knew eachother from here. and also if youre going what are you cosplaying as? or even if you are?

I wish I could go, but it's all the way in Chicago. Acen looked pretty hype

well it has been doubling in size almost every year so i think it deserves the hype

Never been to a con before and I don't live near Chicago either. On another similar note, anyone going to Anime Expo?

It lands on the weekend prior to the start of exams. :(Otherwise, I'd be more than willing to go.

Have fun OP. :)

I really want to go to a con, but the closest thing I have near me rn is this festival which I'm really excited for!

I know New york has Ny Comic-con

And OtaKon is near you, about 2 hours away by train it looks, 3 hours by car. (Assuming you are in new york new york)

I drive about 6 - 8 hours to get to Anime Expo out in Los Angeles every year.

if it is anything like san diego comic con all I can say is

In the starfox 64 voice " GOOD LUCK "

Tickets are hard to come by and they are costly, like 250 bucks each. Not sure how Ny does it but in SD you have to be there at like 4 am and basically stay there until the con is over if you want into the good panels.
