Thread: [\[Fastest & Cheapest\] Skype Banning Service \[\\$5\] \[Guaranteed Ban Or Refund\]](#)

?reaking ?ad - March 25, 2015, 8:50 am

NOTE: I am not going to bother with a fancy thread design, as I'd rather distinguish myself by my price and speed.

I'll be doing Skype bans for \$5 a ban with a 100% ban guarantee, if the person is not banned within 3 days a full refund will be issued. Unlike other providers I use a method which speeds up the process, causing an average ban time of less than 2 hours, rather than the usual 5-24 hours.

I'm currently accepting PayPal as well as BTC.

The vouch copies will go to Aeroslim and Regulus, please PM me with the account you'd like to have banned.

Sorry CallofCyanidic, but I require extremely reputable vouches in order to assure people this is legit

Yep, PayPal is accepted. However I will be waiting until tomorrow before I take any more orders as I currently even have a waiting list.

What does this method involves? Thank you.

crhater - March 26, 2015, 11:18 am

Vouch. After about 24 hours the person was banned ;)

So you're saying this method is unique from what the other sellers were selling?

Well my method has certain twists to speed up the process, the method was still in private hands when I started selling this service. I do agree that if you're willing to put in some effort on finding the method and applying it that should get you the same results.

In the end the question is what's worth more to you, the time you'd spend figuring it out or \$3.

Haven't been able to do the vouch copies yet since paying customers have priority, finished 2 orders so far and working on the third.

Wew

that went so freaking fast, you can't even imagine

People were banned way below 24 hrs. They seem to be not able to login anymore and don't know what happened "I've got added and thats all I know"

That guy answers fast and luckily not only bing bing bing like the real Hector :D Jokes aside
Good service, would buy again

So, OP, you're saying that this is the "chat and contact" method with a few unique twists?

Zombie_ - April 4, 2015, 2:27 am

?reaking ?ad - April 16, 2015, 1:17 pm
