Thread: [\[ANIMEFAN\]Osu Supporter Contest!!!!](#)

Baysick - March 26, 2015, 5:45 pm

The winner is Lyrlei! Every month I will be giving away random amounts of Osu supporter! So be on the lookout for next month! Thank you Tasemu for letting me post the contest here!

Yea, lame thread name, but what do you expect from an ass idiot like me.

Anyways, I was given 2 Osu Supporter Vouchers, I want to give one out to AA members and one to aF members.

The premise is simple, everyone can enter, but there will only be one winner. If this somehow becomes successful, I will give out Osu supporter tags every month. And next time I will have more winners and not just one person.

This time, the topic is the BEST CRINGE MOMENTS

You post a gif/video/pic of something that makes you cringe, I will note them down, and I judge on which one gives me the ultimate cringe.

One submission per person. Do not post multiples submissions.

Follow this format:

Code Submission:

Why do you think you should win?:

Mio Akiyama or Yuki Asuna

That's it, I'm such a lame ass..... Shitty format for a contest

The contest ends the same time tomorrow
