Thread: [\[GFX\] Cheap designs](#)

cOiX Des!gns - March 27, 2015, 1:15 am

I'm back to offer my graphics service.

I can create anything at cheap rate, of course.

My skype: omair.tarique1

WhatsApp: Private message

Email: ntwo700@gmail.com

> Your WhatsApp details will stay confidential. :)

Feel free to contact me.

Portfolio: <http://minus.com/m8liX7iXPLGNS>

Terms of Service:

> We will work out the price after knowing the work I need to do in your design.

> Half payment comes first, which is non-refundable (as I've Indian PayPal). If you're not satisfied with my design, you don't need to pay other half.

> I only accept Paypal as payment.

> If you buy me 1month subscriber, you can have the design for free. (Valid for one Person)

I have added a simple thread designs. I just need funds for my sister's birthday. :)

Thanks for the advice guys.
