Spoiler ([Click to View](#)) (Mar 26, 2015 07:57 AM)C0deZilla Wrote: [\[CITE\]](#) Ok HUGE vouch for this product cause it's exactly what I'm looking for. These are quality shells on some pretty nice websites and will definitely get you where you want to go. I will definitely buy some more in the future and you should to.

(Mar 26, 2015 09:19 AM)ze-slade Wrote: [\[CITE\]](#) Vouch this is amazing I'm going to have some fun with this.

In-stock: 50+

Payment: BTC Only

NEW Price: \$1 = 1 Shell / PRICES REDUCED!

All shells are top level domains and they are all on different servers, some servers being dedis and vps's, no free hosting crap! The shells will never be re-sold to anyone else! Only 50 Shells left

What Can You Do With These Shells?

Deface the website, Spread your bots/installs, Upload scripts such as DoS Shells, SMS Bombers, Email Bombers/Spoofers, PHP or HTTP Proxies, you can even attempt to root the server :)

If your specifically looking for Dos Shells (for booters etc.) then i can upload them for you and sell them to you for a cheaper price.
