Thread: [Hacking the Cable Modem: What Cable Companies Don't Want You to Know PDF](#)

BotMarket - March 27, 2015, 8:15 pm

Just found this on my old hard drive and i was thinking a lot of my fellow HF members could put it to use like i have.

Inside Hacking The Cable Modem, you'll learn:

- the history of cable modem hacking
- how a cable modem works
- the importance of firmware (including multiple ways to install new firmware)
- how to unblock network ports and unlock hidden features
- how to hack and modify your cable modem
- what uncapping is and how it makes cable modems upload and download faster

Written for people at all skill levels, the book features step-by-step tutorials with easy to follow diagrams, source code examples, hardware schematics, links to software (exclusive to this book!), and previously unreleased cable modem hacks.

http://www.amazon.com/Hacking-Cable-Modem-What-Companies/dp/1593271018/ref=aag_m_pw_dp?ie=UTF8&m=A2LW8J008G595O

Available to Ub3rs/L33ts only, support the forum and upgrade if you want this ?

PM me if you want a copy

Trenchguns - March 27, 2015, 8:29 pm

Like what? Oh this looks hella cool. I'd love to the a look at it. Thanks in advance!

Nice quick delivery. Thanks! Really long read, I'll get to it soon, but seems really interesting from the quick skim I did through it. Thanks!

Liquhfy - March 27, 2015, 9:02 pm

Damn this looks awesome if I could get this I will most definitely send you nudes

Inkling - March 27, 2015, 9:04 pm

Hmm, I wonder if this can teach me something I don't already know about the cable modem. :P
Could you send this to me, please?

Fudster - March 27, 2015, 9:06 pm

Hey mate. I am PMing you now for this.

EDIT: Uhhh....you have me on your ignore list? ...I am not even sure who you are...Did I piss you off?

Hmm, may I get a copy?

I'd appreciate it.

?

ChingChingLee - March 28, 2015, 10:42 pm

Sad thing about this is that it doesn't cover the latest models of modems and they can catch you out for it.

Just a forewarning.

hypercrit - March 28, 2015, 10:46 pm

Sounds pretty interesting.

Can you send me thru a copy? thanks mate.
