XAnacondaX's Virus Spreading Service

Hey everyone, welcome to my thread!
I'm doing a Virus Spreading Service.
What does this exactly include?

- Showing You How To Spread (Through TV)
- Lifetime Support

Pricing:

\$5

Extra Note:

I also have a RAT service on HF.
If you don't have a virus yet, I would love to setup a RAT and spread it for the price of \$8

Sorry,

IMO not needed to do vouch copies.

Check my RAT setup service for vouches :D
