Thread: [\[MightyDeals\] 500 Stock Photos\[TRANSPARENT BACKGROUND\] \[MUST TRY\]](#)

**Sheesh** - March 30, 2015, 1:16 am

Cropping photos is the best and worst of both worlds. In one hand, cropping photos enables you to place specific objects from one photo into an all-new background or another photo. On the flip side, cropping out backgrounds in some photos can be an excruciating process.

For all those times when you just need a quick object to stick into an existing design project, you want to get yourself some background-free stock images. Well, that's exactly what you will get with this Mighty Deal. In fact, you'll get yourself 500 of them!

Stock Images Without Backgrounds Bundle Highlights:

### No Backgrounds

Cropping backgrounds out of photos can be a super timely but often necessary task. Depending on your background or what's behind the main object in your photo, it may be nigh impossible to get it right. With this fantastic Mighty Deal, you'll have yourself a library of photos to go to a moment's notice, without any need for cropping out the backgrounds.

### 500 Stock Images

Your purchase of this Mighty Deal gets you an instant toolbox filled with 500 background-free stock photos. That's a veritable arsenal at your fingertips ready to be used for just about any project you come across.

### Huge Array of Categories

With 500 different stock photos, you better believe dozens upon dozens of different themes are represented here. You'll find men, women and kids dressed in various outfits, performing all sorts of popular activities like shopping, running, dancing, cheering, holding up signs, acting professionally, and so many more.
