Thread: [Salary of Admins on HF? Dedicted to Admins](#)

Jim Crow - March 30, 2015, 10:54 am

Hey, I hope everyone's doing well.

I have been thinking about something lately:

I guess admins/mentors spend a lot of time on here and get paid for doing what they do right? Or does Omni keep all the money generated through stickys, upgrades and stuff for server costs and ferraris? Do they have full time jobs beside hackforums?

I know it is not very polite to ask someone about his salary but how much do you think they earn per month?

Or do you think they get paid per ban/post/ or email they reply to?

Tell me how much you think they earn!

Just delete this thread if it's not allowed to talk about this or there's already a thread about this.

I don't think they earn anything. I come on HF in my spare time to check threads/posts and that's pretty much what the moderators and all that do. Correct me if I'm mistaken xD

\$0

Are staff paid?

Staff are not paid on HF. Each staff member is a volunteer.

Staff is a volunteer position. But there is a commission I give staff based on their monthly work. And admins do get paid by me also. Their salary is private information.
