In America? Are you kidding?

This is in the forum btw.

ze-slade - March 30, 2015, 11:40 am

Well that was interesting to watch, thanks for this video op.

Short summary someone, not a good time to watch a video with sound for me.

Sounds more like a philosophy video to me, misplaced thread?

adampelletgun - March 30, 2015, 11:42 am

Another good video that makes people think.

It's one of those "eye opener" videos.

Comes across as obvious shit to those that aren't deluded by the system.

smiley899 - March 30, 2015, 11:53 am

damn this shits true, we're just puppets being controlled and disconnected from everyone

I just wanna do what I want when I want without being told what to do how to do it. education has been ruined, all the fun has been taken out of it, life is so shit ? ?

John Legend - March 30, 2015, 11:56 am

thanks for posting this! its realy sad!

Obimoto - March 30, 2015, 12:05 pm

Absolutely love the video...

Good find...

?
