I have nothing to say. it just vanished.

Only possible way is rep fuck for something you did

PureLifeCoding - March 31, 2015, 4:51 am

I'm gunna say you did something to piss of the big man upstairs and he rep fucked you.

Ahri????? - March 31, 2015, 4:51 am

You talking about this?

He might have changed it. Or you could have gotten RF'd

Private Network - March 31, 2015, 4:51 am

You were repfucked, read the Help Documents it will explain everything.

You are a L33t, you should've read it already.

Sunlight - March 31, 2015, 4:51 am

You've been repfucked. Your rep won't come back, you have to earn it again.

BlackHole™ - March 31, 2015, 4:52 am

I dont know why iv been repfucked. im highly sure that i have done nothing wrong. i have not been on for 2 days.

Fintastic - March 31, 2015, 4:54 am

Once I lost a +3 rep (it wasn't changed to -3 or neutral, and this was after the remove function was removed) and I still don't know what happened. But this seems to be a repfuck situation so you just have to live with it and earn your reputation back.

Well see. When you get rep fucked all positive rep is removed. neutrals and negs stay.

Repfuck = Removes all POSITIVE rep.

And hey, it's just a -3. I've seen like -300 or -500. That's easy job to get it positive if you stay HQ.

What is a "Rep Fuck"?

A "rep fuck" is where an admin permanently removes all of a member's current positive reputation. Once a "rep fuck" has been given it is irreversible. Keep in mind that a "rep fuck" was given for a reason; any complaining will result in a one month ban.

I have no idea what iv done, I think Omni should stat why i got repfucked. so i know next time that i wont do it. Called "Improvements" But i know for sure that i done nothing wrong, because all iv been posting was posts. and made questions threads.

ViN - March 31, 2015, 4:58 am

If you had positive reputation before, and now negative then you've been repfucked. Do not complain about a repfuck or you will be banned for a month.

Velperk - March 31, 2015, 4:58 am

You have broken a rule and Omniscient didn't like it. You got rep fucked which means that all of your positive reps have been deleted leaving only the negative reps.

In response to the rest of your quote, any rep that is not positive will remain after a repfuck (which means your negative and neutral reps). All positive rep is removed.

In any case:

This is a great attitude to get banned with, good luck.

I really doubt Omni will care if you leave because you got rf'ed.

Just wanted to post here, it's very easy to avoid repfucking, just follow the rules, don't make posts like hehe skid wtf hacker or something non quality like this, stay on topic and enjoy your stay, if you follow the basic guidelines you will be here a long time.

Server97 - March 31, 2015, 5:41 am

You got repfucked - like everyone already said - just obey the rules - it's not hard.

Orianthi - March 31, 2015, 6:56 am

Or look at his rep and see it shows $3 + -3 = 0$

?Saadi - March 31, 2015, 6:58 am

Contacting Omni, without fully reading the [Help Docs](#), will lead to a rep fuck.

5chn4pp - March 31, 2015, 8:16 am

Gary - March 31, 2015, 8:25 am

He said he lost a -3 so he didn't get repfucked... Maybe admin just deleted it.
