Thread: [League Sharp Registrations Open From 01.04 - 04.04](#)

BiscuitEdi - April 1, 2015, 11:43 pm

Just wanted to let you all know that L# registrations are open for the URF event.
Basicly all you need is joduska.me and lsharpdb.com
Have fun and use it at your own risk :)

plz tell me this isnt just an "aprill fools" thing.

Edit: i can't register, nothing happens at all ... Help OP

Edit#2: Registered using a phone, worked like a charm, thanks OP.

There you go. You welcome.

Closing the thread since the registrations should be closed.
