Struggling on whether or not to watch it while it airs or wait till it finishes. 3 minutes a week will kill me but so would waiting. ?

The first episode is sooo good though, but I know the feels, that's why I'm watching 23 shows this season :/.

oh god, I'd forget what happened in some of them if I were to do that. I think I'm only planning on watching like 5 or 6 series, I'll probably watch more once feedback on them starts popping up.

I'll just watch it as it airs, then rewatch the whole series after it's done airing

I'm guessing you meant Season 1 and not season 2 ?

No, I meant this is season 2 of the short (first season).

First season is beautiful and isn't even an hour long, go watch.
